

2024 GL 11 Plus Exam Potential Passes

Below is a list of the grammar schools our students at Broad Horizon are likely to be offered based on the previous years pass marks.

All the students marked as “maybe” eventually gained entry into a grammar school in 2023.

We estimate that around **27** boys will secure places at Queen Mary’s Boys’ Grammar School and **28** girls at Queen Mary’s High School. With each school offering only 180 places, **once again a substantial portion of their intake will be from Broad Horizon Tuition !**
