5. E.g. He doesn’t do all the normal things dragons are expected to do like “chasing knights” and “gobbling damsels”. He likes to sleep instead.
6. E.g. Because it makes it sound like the other dragons are very busy and do a lot more than the reluctant dragon.

Now Try This: E.g. Yes, because he seems friendly. He talks to the Boy politely and doesn’t seem to do any of the bad things that dragons are famous for. OR E.g. No, because even though he seems friendly, I would still be scared that he might be dangerous.
